March 13, 2020

Dear Parishioners:

As you know, due to concerns about the Coronavirus, Governor Cuomo has established a containment area in New Rochelle. All Schools and large gathering areas are to be closed. Holy Family Church is just outside of this containment area, however, a large portion of our parish is within this area.

With advice, I have decided to postpone all religious education classes (both adult & children), CYO Basketball games, and all other parish activities.

Mass will be celebrated this Saturday and Sunday at the usual times; however, the Iona College Mass is suspended indefinitely. All Mass services will follow a simple ritual.

Starting Monday, March 16th, no Masses will be celebrated here at Holy Family Church. This is in accord with the mandate of the Archdiocese. Friday evening Stations of the Cross will also be suspended.

If you are concerned, elderly, or sick please be assured that I have given a dispensation from the Sunday obligation until the Coronavirus is contained.

Additionally, beginning Monday, March 16th, the Parish Office will be closed. We will receive all inquiries and address all needs via telephone.

We pray for your good health this Lenten season.

Msgr. Dennis P. Keane,
Pastor
