

Dear Parishioners,

I hope that this message finds you all well as we continue to shelter at home. I have received many positive comments about the parish celebration of the Eucharist being aired on our YouTube channel.

At this time, I'd like to thank all of our generous parishioners who have been mailing in, dropping off, and using WeShare to support our parish. As you would imagine, our donations are less than usual. For example, for the last two weeks of March 2019, our donations were \$13,499; for the same period this year, we received \$2,533. For April 2019, our donations were \$27,898; for April 2020, our collections totaled \$8,544. The 2019 Easter donations received totaled \$23,724 and I am very happy to report that the Easter donation so far amounts to \$21,709. Our Easter Sunday collection is truly extraordinary, considering the global pandemic at this time. Again, thank you to all of our generous parishioners. Please know that I will continue to pray for those infected with COVID-19, those caring for the sick, and those who are the most vulnerable among us as well as those that have succumbed to the virus.

Let us remember our Blessed Mother in a special way during this month of May. As Pope Francis has encouraged us, let us re-consecrate ourselves to Our Lady and ask her intercession to an end to this pandemic.

May God bless and keep you all in His care,

Msgr. Keane
