

## *Tuesday of Easter Week*

*We have just celebrated a unique Holy Week – apart from one another, apart from our families, and apart from fellow parishioners – sheltered in our homes. Truly unique! But I found it also spiritually nourishing. Holy Week and Easter Sunday reminds us about life and hope – God’s victory over the power of Satan. We look forward to the vanquishing of this pandemic.*

*With profound sadness, I wish you to know that the following parishioners of Holy Family have been called home to His Lord:*

*Glenna Whiting  
Augusta Guerreri  
Gerhard Kistner  
Guy Caprio  
Danny Spano, Jr.*

*This is a most difficult time especially for their families but also for all of us for it is so difficult to mourn while we are apart. I feel especially saddened not to be able to celebrate their funeral rites for each of them. I have assured their families of my prayers and those of the entire parish. **May the Lamb upon His Throne walk with them to Paradise.***

*Please remember in your prayers all of our parishioners who have fallen ill with this virus. **May our Blessed Mother, the help of the sick, comfort them.***
